## STORY

### "PLEASE COME TO THE CASTLE. I'VE BAKED A CAKE FOR YOU."

At the invitation of Princess Peach, Mario, accompanied by party crashers Luigi and Wario, enter the Mushroom Castle.

But when the three don't come out of the castle for a long time, Yoshi decides to check up on them.

Upon entering the castle, Yoshi discovers that no one is there. According to Toad, Bowser has stolen the Power Stars guarding the castle and locked Princess Peach into the walls and paintings. Maybe Mario and his friends have been captured in the paintings, too!

Now it's up to Yoshi to rescue Princess Peach, Mario, Luigi, and Wario from the castle's paintings and walls!

## ASK PRINCESS PEACH!

**Q** Can I join a VS battle if it has already started?

Nope, sorry. The only way to enter a VS battle is to start a new one.

**Q** What should I do when I fall from a high place?

If you ground-pound as you approach the ground, you'll suffer less damage. The amount of damage you take depends on the height you fall from, so be careful.

**Q** I want to play as Yoshi again...

That's not a question. Nevertheless, I'll help you out of this predicament. You must have switched places with another character in his switching room. If you go back into his room, you can play as Yoshi again.

**Q** Can VS battles use more than one Game Card?

You can play VS battles even when there are multiple Game Cards. To do this, one player acts as Player 1 and the rest of the players touch DS Download Play on the Main Menu.

**Q** An enemy took my cap! How can I get it back?

Oh, no! When you lose a cap to an enemy, it will keep it, even if you exit the course. But maybe another enemy has a cap you can take.

**Q** Someone in the castle asked me a question. How do I respond?

You can choose your response by sliding the stylus over the Touch Screen. Or, if you are in Standard Mode, you can also choose what to say with the  $\pm$ .
